2018 - 2020 Membership Directory

The Ohio Simmental Association would like to invite you to participate in their 2018-2020 Membership Directory. As a board we are excited about putting together yet another high quality membership directory for the Ohio Simmental Association members. Upon completion of the publication, which is slated for late spring, they will be

distributed during the 2018 and 2019 Ohio State Fair, Farm Science Review, Ohio Beef Expo, Memorial Day Classic and we will be able to have this new directory ready and available to all of our juniors to take with them to the Regional and National Classics. As well as having them available at any other OSA or OJSA event. In addition, your support will not only be utilized in the paper-copy of our Directory but also as a feature link on the Ohio Simmental website which can be found at:

[Http://www.ohiosimmental.com](http://www.ohiosimmental.com)
