OJSA Members and Parents,

The Ohio Simmental Association board of trustees are proud to be in the position to give back to our youth by offering this grant fund to help juniors pay for trips to events that will help them grow as a showman and also as a person.

We wanted to make this process as simple as possible so that any junior of any age would have access to the funds. There are a few simple guidelines to the program:

1. Applicant must be a current active member of the OJSA
2. Applicant must attend the OSA annual meeting or one of the OSA board meetings to give a report to the membership about their trip or event.
3. No limit to the number of event an individual can request funds for in a year.
4. All Applications will be reviewed by the OSA board
5. Applications will be reviewed at the OSA board meeting in March (Expo), May (Memorial Day), and July (State Fair) so the due dates for the applications will be March 1st , May 15th , and July 15th.

The OSA board has worked very hard to build a treasury that can support a program like this for our youth members and they are committed to continuing the success of our breed and the juniors who will continue it in to the future.

If you have any questions about the program or the application process please contact Pam Haley at 330-353-6072 or email at phaley@haley-farms.com

Sincerely,

The Ohio Simmental Association Board of Trustees
